Dr. Tim Schopf

tim.schopf@t-online.de tim-schopf
Tim Schopf TimSchopf timschopf.github.io

Professional Experience

Sept. 2026 – Present
Stuttgart, Germany

AI Specialist
Roland Berger
Design and implementation of AI solutions for clients and internal teams

Mar. 2026 – Aug. 2026
Tokyo, Japan

AI Research Scientist
National Institute of Informatics
International research stay to investigate "faithful natural language explanations for multimodal claim verification"

Jan. 2025 – Feb. 2026
Dresden, Germany

Postdoctoral Researcher
ScaDS.AI & Dresden University of Technology
Conducting research on "evidence-based text generation with LLMs", "detection of LLM hallucinations", and "AI agents for scientific discovery"

Sept. 2020 – Aug. 2024
Munich, Germany

Research Associate
Technical University of Munich
Led the "NLP-KG" project, which used LLMs, retrieval augmented generation (RAG), and a knowledge graph to enhance scientific document search

Co-led the "CreateData4AI" project, which aimed to create an end-to-end pipeline for structured data generation from unstructured text corpora

Co-organized "hackaTUM", the official hackathon of the Department of Computer Science at the Technical University of Munich

Taught various software engineering and natural language processing courses in addition to supervision of thesis students

Nov. 2019 – Apr. 2020
Ludwigsburg, Germany

Master's Thesis Intern
MHP Management and IT Consulting
Researching defenses against adversarial attacks on deep neural networks for computer vision in the automotive industry

Oct. 2018 – Mar. 2019
Stuttgart, Germany

Data Science Intern
Mercedes-Benz Group
Responsible for identifying dealer fraud using anomaly detection

Feb. 2018 – Sept. 2018
Karlsruhe, Germany

Student Research Assistant
Karlsruhe Institute of Technology
Responsible for CAD modeling of 3D prints and Wiki database updates

Education

Jan. 2021 – Nov. 2025
Munich, Germany

PhD (Dr. rer. nat.) in Computer Science
Technical University of Munich
Research Areas: Natural Language Processing and Knowledge Graphs

Oct. 2017 – Aug. 2020
Karlsruhe, Germany

Master of Science (M.Sc.) in Information Engineering and Management
Karlsruhe Institute of Technology
Area of Specialization: Machine Learning and Data Science

Oct. 2012 – Sept. 2017
Stuttgart, Germany

Bachelor of Science (B.Sc.) in Information Systems
Universities of Stuttgart & Hohenheim
Area of Specialization: IT in Business Enterprises

Skills & Certifications

Languages	German Native Speaker, Fluent in English
Computer Languages	Python, R, C++, Java, JavaScript, TypeScript
AI/ML Technologies	PyTorch, LangGraph, Model Context Protocol (MCP), LangChain, Hugging Face, NumPy, SciPy, Pandas, scikit-learn, spaCy, NLTK, Gensim, Matplotlib, Seaborn
Other Technologies	FastAPI, SQL, MongoDB, Weaviate, Pinecone, Neo4j, Docker, HTML/CSS, LaTeX, Git, Next.js
Research	Academic research and teaching in the fields of Natural Language Processing, Knowledge Graphs, and Web Application Engineering
Personal	Personable, Strong Work Ethic, Organization, Excellent Communication Skills
Certifications	Professional Scrum Master™ (PSM I)

Fellowships

DAAD IFI Fellowship 2026	International research fellowship funded by the German Academic Exchange Service (DAAD) for highly qualified early-career researchers in AI
AI Grid 2023 – 2025	Travel grants sponsored by the Federal Ministry of Education and Research to strengthen cooperation and synergies between young talents in AI
